Tihomir Nedelchev

Student at SoftUni

My name is Tihomir Nedelchev and I am a Regional Manager at Eltreid. I am results-oriented and focused on making innovative and successful decisions. I am skilled at managing my time effectively and prioritizing tasks to ensure the maximum completion of assigned goals. Over the past two years, I have been a student at SoftUni. For the past year, I have been part of SoftUni's internship program, responsible for moderating lectures, exams, and testing exam tasks. My project ranked first place in the Angular competition, October 2024.

Regional Manager Burgas
ELTRADE

10/2014 - 04/2025

Eltrade Ltd. was established in 1995 with a focus on the production of electronic fiscal and mobile devices. Over the years, the company has established itself as one of the leading suppliers of POS equipment and fiscal devices in the country. Eltrade gradually expanded its range of activities, and today the company offers a rich portfolio of hardware products — high-quality fiscal printers and cash registers, POS terminals and POS printers, barcode scanners, electronic scales, self-service machines from the Eltrade Smart Pay series, and more.
